Keib Thomas (1946-2007) Appeal Fund

There is a real desire by those who knew, admired or benefitted from Keib's life to recognise and remember his legacy. An appeal fund has been set up for a life-like bronze bust of Keib in Chumleigh Gardens, a place he loved.
We are delighted to announce that we have almost reached the amount necessary to commission the sculpture from Calcutta, a spiritual home for Keib. We need a last push to ensure the successful completion of this project.
Please send contributions to: Keib Thomas Appeal Fund, Community Action Southwark, 8th Floor, Hannibal House, Elephant and Castle, London SE1 6TE. Please make cheques payable to "Community Action Southwark (Keib Thomas)".
